Term 2 Week 4 2017

From the Principal

The term is quickly passing by and a lot has been happening around the school.

On Sunday Kathy Kupke, Tamara Schmidt and Paul Arthur attended a training and development session around using 360 degree cameras as part of a trial for GEOGO, a STEM initiative support by Uni SA. The school was lucky enough to win a grant which has helped purchase equipment and fund staff to be trained in using this innovative technology. The first project the cameras will be used for is to make a virtual tour of the school.

On Tuesday BCDS hosted Australia's Biggest Morning Tea, catered for by the Year 10 Home Economics class. This was a very successful fundraiser for the Cancer Council, raising funds for cancer research, support services, prevention programs and advocacy. The class had been busy cooking a range of finger foods over the past 2 weeks in preparation for the morning tea. The morning tea was well attended by students, staff and community members with just over \$300 raised. On behalf of the class and the school, we would like to thank everyone who supported the Biggest Morning Tea.

On Tuesday the 5/6 class went to Jamestown for Choir practice in preparation for their performance in Term 3. It was very exciting to hear some of our students have been chosen for a solo performance. Congratulations to Mia Arthur, Tess Jones & Pippa Roberts for being selected for this role. Well done also to Chloe Frick and Tara Brinkley for auditioning. It was a very difficult decision.

On Wednesday the Year 8 pathways classes walked down to the school paddock to see JP Carey and Brenton Koch sewing the school crop. Students were amazed by the technology as they received an informative tour of modern farming practice. Thanks to our volunteer farmers for sewing the crop, hopefully we have another bumper harvest.

Child Development

Today Ms Spielhagen's Year 1 & 2's headed off early to spend the day at Mintaro before returning to school for their sleep over. Students were extremely excited and we look forward to hearing all about the camp in next week's newsletter.

A reminder that next Tuesday is an early dismissal with buses departing the school at 2.30pm.

Primary News

Last Friday R-6 students went on a walk around town as part of walk safely to school day. Students demonstrated excellent road safety awareness and it was great to see the older students guiding the younger ones.

Yesterday Mrs Stringer read us 'The Cow Tripped Over the Moon' as part of National Simultaneous Storytime. National Simultaneous Storytime is an annual event to encourage more children to read books; with schools all across Australia reading the same book at the same time.

Congratulation to all award winners from the last assembly:

Reception Class- Lottie P, Wyatt R.

1-2 class- Olive S, Paige B, Zander M, Henley S, Ned W and Darcy J.

3-4 class- Dylan F, Matilda V, Bella H, Megan A and Claire S.

5-6 class- Cooper D, Colby P, Henry H, Chloe F, Tayla S and Alec M

Year 8/9 9 A-side Football

Last Wednesday more than 50 year 7, 8 and 9 students travelled to Jamestown to compete in the annual Michael Redden 9 A-side footy carnival. They competed against teams from all other MNSEC schools in a round robin tournament. This year, tags were used instead of tackling and from our point of view no injuries resulted. Both the boys and girls teams contested their games strongly but did not feature in the grand final play-offs, even though they recorded some good wins along the way. These modified games were used as part of the selection process for the representative MNSEC team. Thank you to the year 7 students for helping out in making up our teams and also thank you to Billy Rutte, Jack Giles, Minnesota Cheriton, Tara Kumnick, Tiana

Poulton, Kate Trentelman, Barney Watkinson, Jack Graham, Lachie Koch and Liam Bastian for assisting with coaching and umpiring.

SAPSASA Cross Country

The Cross Country Trial Day was held at Wilmington during week 1 of this term. Students ran either a 2km or 3km track around Wilmington Primary School and the Wilmington Golf Course. Eight students from BCDS participated in this day and had a great day out. Congratulations to Jaden Carey on winning her age group.

Well done to Rydah Cheriton, Jaden Carey, Rory Kumnick & Alec Whellum on their selection in the North Eastern Cross Country Team. Students will compete at the Oakbank Racecourse next week.
