The Premier's Reading Challenge is quickly drawing to a close. Children need to ensure they have read the required 12 books and completed their forms by the 8th of September.

Last week I mentioned about nut allergies and listed a range of products that were not to be brought to school. Nuttelex was on that list. Nuttelex is actually a plant based allergy friendly spread so is safe to use. I apologise for any inconvenience caused.

Finally, the Year 3/4 camp to Peterborough has been booked in for Thursday 21st and Friday 22nd September in Week 9 this term. Thank you to the parents who have offered to assist. More information and invoices will be sent home early next week.

Preschool Enrolments

Please **enrol your child for Preschool** if they are attending at the beginning of 2018. Make contact with your preschool to get enrolment forms and to make an appointment with the Director.

I will be on leave for the rest of the term. Cathie Bammann, Denise Walters and Monica Woolford will be sharing the role.

Good luck to all the BMW netball and football teams that make the finals. I wish them every success.

Shearing Course – Looking for sheep!

We are hosting one last Shearing School this year from Monday 11th September until Friday 15th September (Week 8). In order for this to go ahead it involves kind farmers lending sheep for the students to learn shearing on. We need approximately 250 sheep for the week.

If you know anyone who is willing to assist the school please contact Chloe Clarke. Thanks.

King of the Mount

A reminder that the King of the Mount race, to the summit of Mt Remarkable will take place on Sunday 20th August. There are trophies for the male and female winners in the under 18 race and the event is a great way to experience trail running locally. The course will be well marked, with four manned aid stations and volunteer support. St John first aid will also be on hand. The race is open to under 14 years with a guardian, 14 years and over can participate without a guardian. The course does not need to be run; walkers with a basic amount of fitness will be able to complete the climb in a comfortable time.

Thanks, Alan Clarke and Quinten van der Werf
