Year 9/10 Design Tech

This semester the Year 9/10 Tech class have completed some amazing projects. Firstly, they built paper towel holders using the wood lathe, secondly toolboxes and finally some free choice projects. Below are some photos of the outstanding work the students have completed.

Leigh Wade, Design Technology Teacher

Kindy News

On Tuesday Kindy staff attended "Talk, Play, Read" training at Orroroo. Our Kindy focus is Reading with children, one of the three effective strategies for progressing literacy learning. As a team we were able to develop a site goal and a plan to improve Reading with Children that we will implement.

Last Thursday presented many opportunities for back and forth exchanges between Educators and children or children and children about the books we were reading and "Show and Share". These conversations are so important to affirm and build on children's ideas and thinking. This week's photos show the children participating in "Show and Share", making lemon scented play dough and being creative at the art area.

Planning is already underway for 2022 and the new group of kindy children. Intent to enrol registration forms are available for eligible families at the Kindy and if you know of anyone who may be eligible please let us know. Children are eligible for Kindy in 2022 if they turn 4 before the 30th April next year.

Quote

"Children *learn* as they *play*. Most importantly, in play children *learn* how to *learn*". Fred Donaldson

School News

Mock Vehicle Accident

Next Wednesday 23rd June, the Year 10-12 students will be viewing a Mock Vehicle Accident ran by the local emergency services including Ambulance, SES, CFS and SAPOL.

The MVA will give our senior students a firsthand look at an accident and what happens as they simulate the extraction of a driver.

In preparation for Wednesday's Mock Vehicle accident we would like to inform parents and the community, that if you hear a number or sirens and emergency service vehicles around the school on Wednesday morning not to be alarmed.

SAPOL Cyber safety parents talk

Due to circumstances beyond our control, the SAPOL Cyber safety parent talk which was planned for next Wednesday evening has been postponed. A new date will be set shortly for early next term. Apologies.
