### Kindy News

This week we farewell our Kindy children starting school after the school holidays. Abby, Axel, Callie, Everly, Hunter, James, Jude, Louis, Marie and Sophie, we wish you all the best as you begin your schooling journey. Each of you have enriched the Kindy experience and thank you to families for your partnership in your child's learning.

Families of these children are invited to our 'End of Term 2' celebration at Kindy this Thursday afternoon. The children have chosen what activities they would like to showcase to their loved ones.

We wish families a safe and happy holiday and look forward to seeing and learning with our Kindy children again in Term 3.

## Senior School News

Much information comes into the school around careers, VET, universities, TAFE, scholarships etc. All relevant information is passed onto students through Microsoft Teams either through their Home Group or EIF (the new PLP) class. Please encourage your children to check out the information regularly so they can keep up with the many options and experiences available to them. Anyone with any questions can contact me at school anytime.

**SACE Information Evening** – Thanks to the students and parents who attended on Monday night this week. Initial subject preference sheets have been distributed to Year 10 and 11 students and need to be returned by Friday T3 Wk 1. **If your child is NOT returning to BCDS in 2025**, we would appreciate you letting us know as this will impact our processes going forward. Bookings for subject counselling interviews will open in early term 3.

**Try-A-Trade Construction Day** - 8 students completed White Card last week with the practical Bricklaying day being postponed until term 3 at a day to be confirmed.

**RAP** – Year 11s will be attending the Road Awareness Program in Orroroo on Friday of week 1 next term. Consent forms have been sent home and need to be returned ASAP.

**Year 11 Work Experience** - 12th - 16th of August. The paperwork has been sent home and can also be found on Sentral and in HG Teams. Arrangements need to be finalised by the end of week 2 next term.

## Mrs Jefferson's Year 7 class Science Class—Whole Fish Dissection July 2024

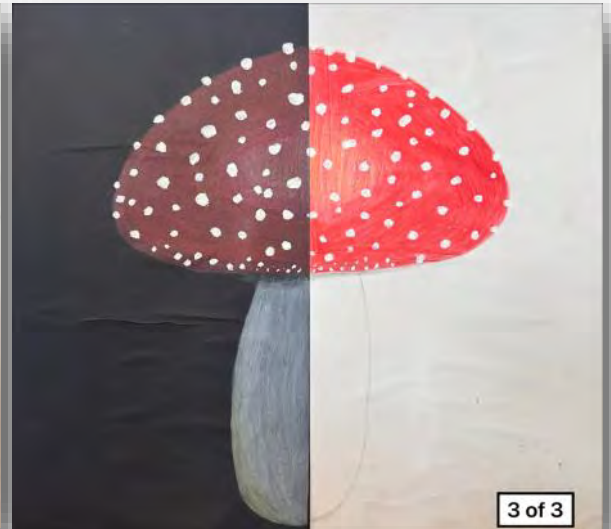

## School News

Mr Djukic's Year 9 Science class tested household products to see if they were acidic or basic, with some surprising results and outstanding colour variations.

## Stage 1 Art

Stage 1 art students finished their pracs last week. They have done a fantastic job and should all be very proud of themselves. Some students even found hidden talents they didn't know they had.
